Rehousing Strategy

- **1/4" and 1/2" open-reel tapes, cassettes and CDs:** Stored in format-specific inert polypropylene cases
- **Photographs and negatives:** Placed in *Permalife* paper or polyester L-sleeves.
- **35mm slides:** Rehoused in archival slide boxes.
- **Other film types (e.g., film strips):** Rehoused in acid-free paper enclosures.
- **Documents:** Stored in acid-free folders and archival boxes.
- **Ephemera (postcards, drafts, newspaper clippings):** Grouped and housed in acid-free folders or cardboard separators.
- **Oversized documents, artwork, and signage:** Rehoused in custom-sized boxes or archival portfolio cases
- **Transcription and Photography were essential**
